LETTER DATED 12 NOVEMBER 1992 FROM THE PERMANENT OBSERVER OF PALESTINE TO THE UNITED NATIONS ADDRESSED TO THE PRESIDENT OF THE SECURITY COUNCIL

In my capacity as Chairman of the Arab Group for November 1992, I have the honour to convey to you the deep concern of the members of the Group at the deteriorating situation in the Republic of Bosnia and Herzegovina, particularly in light of the failure of the measures taken thus far to end violations of humanitarian law and halt the crimes being committed against the people of the Republic.

The Arab Group and its member States would like to support the call made in document S/24678, submitted by the Contact Group of the Organization of the Islamic Conference mandated to follow up the situation in Bosnia and Herzegovina, by requesting that the Security Council be convened on an urgent basis to take effective and decisive measures to halt the campaigns of extermination and enable the Republic of Bosnia and Herzegovina to defend itself.

I request you to have this letter circulated as a document of the Security Council.
